# REINA CLUB ISTANBUL

*istanbul, turkey*

Partying on Europe, across from Asia - only in Reina.

With its name and concept, its cuisine, entertainment, and ambience that is renowned all over the world, Reina is the most popular address in Istanbul nights.

Rivers run through many cities in the world, the sea runs through only one. And that sea separates two continents, Istanbul. Istanbul is one of the most beautiful city in the world. In 2008, with its dazzling panorama of the Bosphorus, looking across at the Beylerbeyi Palace, the Kuleli High School, the historical mosque, enlivened with a natural decoration dominated by the majestic bridge, Reina is the crown jewel of the Bosphorus.

# TRAVOLTA FRANKFURT

*frankfurt, germany*

By opening of the TRAVOLTA in November 2009 Frankfurt/Main gained a new jewel of the nightlife. Amidst the inner city the internationally known deejay brothers Dennis and Julian Smith created their personal new interpretation of the classic urban disco culture.

The venue with 200 square meters and two floors - in the meantime an inherent part of the Frankfurt clubbing scene - impresses with a clear, reduced and unique design and a first class sound concept. Together with an outstanding service and the creative music style with a range from Electro, House and Livemusic to Hip Hop and R'n'B the TRAVOLTA features its guests a maximum of enjoyment. Special is also the audience. Part of the TRAVOLTA crowd are celebrities as well as artists,

typical protagonists of the night life scene and the girl from next door. They all are characterised by positivity, lust for life and esprit and burn in their club the candle at both ends.

Beside local deejays and artists also nationally and internationally known artists regularly perform in the TRAVOLTA. Dennis and Julian hosted in the past amongst others such as: Actor Mickey Rourke, Producer "Mr Daddy Cool" Frank Farian, German actor Mark Keller, Singer Jan Delay and Peter Maffay.

Soho rooms resident DJ's - DJ Jeff, DJ Fashion, DJ Perets, DJ Fenix and DJ Teacher never stop surprising guests and do make you dance. Soho rooms guarantees that you will be in fine society and sure to bump into some of world famous "faces".

# BABY! DANCE LOUNGE-CUISINE

*munich, germany*

Baby! – a sophisticated boutique club and Munich’s latest luxurious venue for superior clubbing.

Daniel Laurent, together with Nikias Hofmann of Secret Society - dj fame have created the most significant and exquisite club venue in Munich. Baby! is built amidst the vaults of the restaurant “Aubergine”, one of the first eateries to be assigned three Michelin – stars in 1979.

This lavishly designed nightclub, bar and restaurant is open from Tuesdays to Saturdays 10pm to 4am for members only or via invited guest - lists. Owner Daniel Laurent, the man behind Munich’s finest Event&PR agency Maschine & Partner, has been responsible for the town’s most succesful clubnights over the last 8 years, and has brought a wealth of experience to the project. Baby consists of three rooms, The Black Room, The Barock Salon and The Mirror Cabinet which all attract

Europe’s most discerning clubbers and enthusiastic revellers, providing a haven for those who look for high end venues. Baby is also unique in hosting clubnights with award winning dj visitors and themes every month for “It’s So nternational Baby!” and the highly succesful “Distorted” nights for fashionistas. The club is also available for event hire.

The men behind baby! have created a visually stunning interior for their members to dance until dawn in and which by no doubt is the no.1 destination for Munich socialites.
